Opposition to the Sale of Alcohol in New Boston

Sunday, October 4th, there will be a rally at the Trailhead park in downtown New Boston, Texas. The whole community is invited to this rally. The purpose of this rally is two-fold. First, we want to encourage our youth and our local businesses to obey the law that prohibits underage drinking, and the sale of alcohol to minors. Second, we want to oppose the ballot initiative to permit the legal sale of beer and wine in New Boston, Texas.

We want to encourage everyone to make their plans to attend this event. Dr. Mike Price, a licensed psychologist, will be speaking at this event to inform us about the moral consequences of permitting such sales in our community. We will also hand out sample ballots at this event so that others will be able to see where the issue is on the ballot and can then know how to vote when they cast their official ballot. This will also be an opportunity to meet others in the community who are opposed to this ballot initiative.

Unfortunately, we live in a time in our culture where moral issues have become political issues. We are opposed to selling alcohol in New Boston, Texas on moral grounds. This is not just about money. It is about the kind of community that we want to have that protects our children and our families from the dangers associated with alcohol. Alcohol is the most dangerous legal drug available in society. Tens of thousands die from alcohol related deaths every year in our country. We do not want to contribute to that statistic by permitting alcohol to be sold here. Let's make every effort we can to STOP this effort to legalize the sale of alcohol in New Boston, Texas. God bless you, and I love you.
