Jesus, The Reason for Every Season

The central character of the Bible is Jesus, and the Bible tells His story. What the Author, God, wants us to understand is that knowing Jesus tells us who God really is.

In *John 1:18*, we read, “No one has seen God at any time. The only begotten Son, who is in the bosom of the Father, He has declared Him.” What God is telling us about Jesus is that He is the only one who has intimately known the Father, that is, really comprehended God and His glory. That is the significance of the expression, “who is in the bosom of the Father.” Jesus is intimate with God because He is the son of God, God in the flesh. This means that Jesus is in the perfect person to tell us who God is so that we can come to know Him better. When we come to know who God is, that means that we can also know something about ourselves, because we were created in the image of God (*Genesis 1:27*). This is why John writes in *John 20:30-31*, “And truly Jesus did many other signs in the presence of His disciples, which are not written in this book; but these are written that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life in His name.”

God bless you and I love you.
