The Cross of Christ Gospel Meeting

I hope that we have been promoting our gospel meeting in the community. This is going to be a great event. We have a wonderful speaker for this event in brother Mike Bonner. He will do a fantastic job of presenting the lessons that we have planned, and you will not be disappointed. This event is a **GREAT** opportunity for you to invite your friends and neighbors to come hear the preaching of the gospel. They will want to hear brother Mike Bonner. At the bottom of the flier under Mike's background information are several websites where you can listen to brother Bonner's preaching. Take some time to get a sample of his preaching from those places. You will be excited about it.

The topic that we have scheduled for brother Mike is also a very good one. I don't know of any topic more relevant than "The Cross of Christ." It is central to what it means to be a Christian, and the cross of Christ challenges us at every moment to be God's people truly. The apostle Paul wrote, "For I determined not to know anything among you except Jesus Christ and Him crucified" (1 Corinthians 2:2). He was speaking to a culture lifted with pride. We live in the exact same kind of culture. This message is essential for us today, and it cannot be emphasized enough. Please make your plans to support this meeting by resolving to attend every service, inviting friends and neighbors, making sure that your family attends, and participating enthusiastically in every service. This can be a great time of spiritual renewal for us as we transition to our summer schedule remembering to put God first in our lives.

God bless you, and I love you.

LTS Bulletin March, 2018

Jesus, the master teacher, used visual images to teach important lessons. Things like a valuable pearl, an enemy sowing weeds, lamps running low on oil and sowing seeds on various types of soil fascinated the children who attended the Learning to Serve session Sunday afternoon. Jim Patterson did an excellent job relating the Bible stories and encouraging the children to choose wisely when they make important life decisions.

Kevin Cauley led a lively song session with the children suggesting their favorites and participating enthusiastically. After Jim's lesson the group divided into groups and took turns reviewing and doing handwork with Shara and Sawyer Hobson, watching an animated movie depicting the various parables with Sylvia Williams, making an art project illustrating the four types of soil with MaryLynn Cauley and Sommer Hobson and enjoying ooey, gooey, cheeseey nachos with the refreshment ladies.

The children are Devin, Zain, Ellie, Sammy, Jamiya, Jordan, Drake, David, Mersadies, A'Miracle, Logan and Eli.

Other helpers are Virginia Parrish, Janie Martin, Michael Raney, Stephanie Wages, Janiece Richardson, Sandra Conley, Suzette Tyndell, and Ernest Shelton.

We are grateful for every opportunity to teach Bible truths to children and thankful for your support.
