LADIES'
DAY

There will be several days in coming weeks that will be devoted to the encouragement and edification of our ladies:

At Hooks	--	March 5th
At Northside	--	March 10th
At Broken Bow	--	April 25th

Additional information is on the foyer bulletin board. Ladies, let's plan to make some of these!

HELPING OTHERS

Jim Conkleton of Indiana blew out a tire and needed help. John Inman and Eddie Wayne Parrish were willing to help. A tire was furnished by Carol Dan's Gulf station, and McIntyre's Texaco mounted it without charge. We appreciate the interest and help of these men.

WHAT IF GOD SENT US BILLS?

The scene was a familiar one. The young couple were going over their monthly bills. In it were ones from the drug store, department store, oil company, etc. Trying to find something humorous to say in the situation the man quips, "Isn't it a good thing God doesn't send us bills?"

That is good, isn't it? But what if He decided just to bill us for this wonderful body He has given us? The Psalmist said, "I will praise thee; for I am fearfully and wonderfully made...." (Psalms 139:4). Shakespeare said, "What a piece of work man is!" Think about what God has made:

THE EARS: A piano has 88 keys, but each of your ears has a keyboard with 1500 keys. They are so finely tuned that you can hear the blood running through your vessels. The outside of your ear can catch up to 73,700 vibrations a second.

THE FEET: Did you know that each foot has 26 bones, none of which is wider than your thumb? But it is so "manufactured" (arched) with its ligaments, tendons, muscles and joints that a 300-pound man can put all his weight on these tiny bones.

THE HEART: Its size is about like your fist, but pumps (beats) 4320 times an hour. In a year that would mean about 40 million beats. A drop of blood can make a round trip in your circulatory system in only 22 seconds.

What if God sent you a bill for this marvelous body we live in? Staggering, isn't it? But God doesn't send bills. He just loves us and cares for us. Can we do any less than return His love? We show Him our love by obedience to His Word and by faithful stewardship of that which He has entrusted us.

What will you purpose for His work in 1981? He's not going to send you a bill. He's left us free to show Him how much we love Him.

--Bulletin, Madill, Oklahoma
