

HAPPENINGS in God's Family

Vol. 7

May 17, 1981

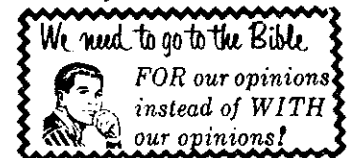

No. 18

Sunday, May 31st will be a memorable day! A very special lesson will be shared Sunday morning, and it concerns every member of the church at New Boston. Our C A R E program will be introduced, and we will have a dinner on the grounds. Every member is encouraged to be in Bible class and worship, and remain for the dinner and fellowship.

Those who have placed membership in recent months are especially encouraged to be present. We want the congregation to have an opportunity to get better acquainted with you.

We'll plan on eating lunch at 12:30, as this will give those who need to time to return home and bring their food. This day will be very special! Plan to be a part! Don't miss it!

I'm looking forward to this Lord's Day, and I hope you are. Be on time for Bible class and worship. God will bless your efforts, and you will encourage others by your presence.

This summer promises to be very exciting. Let's renew our determination to serve our Lord to the very best of our ability. The power of prayer coupled with our united effort will richly bless this congregation during the coming months.

Please read the note on the back concerning our bus program. If you will help, it is very important for you to attend.

Don't let anything keep you from sharing May 31st with us. It will be an exciting day, which will enable us to have an exciting future!

JOY TERRAL

VANESSA MURRY

The seniors listed above will graduate on May 28th. Graduation day is a great milestone in the life of any young person. We offer our sincere congratulations to Joy and Vanessa, and our prayer is that this step in their lives is one that will lead to even greater plateaus.

May you use the education you have acquired in the service of your Lord and mankind. We hope that the forthcoming years will be just as full of excitement and enthusiasm as the past few have been, and may your faith in the Lord be strong enough to sustain you as you begin another part of your journey through life.

Education is very valuable, and may you continue to grow in knowledge. However, I believe the best indication of education I have ever seen is when one looks to the giver of life and all blessings with an obedient and sincere heart filled with gratitude and thanksgiving!
