## MOMENTS WITH MARVIN

We will miss not being together with you this Lord's Day! We appreciate so much those who wished us well on our trip, and we ask you to remember us in your prayers as we travel.

I must share my recent detective work. Did you know that April was a good month for us? The first three weeks we averaged 183 in our morning worship service. Last week hurt us as we only had 137 present! But we still averaged 171.5 for the month. Our efforts will be blessed by God as we work together to serve Him. I hope your family has decided to walk with God!

I didn't express it last Wednesday, but I'm grateful you allowed me to visit the work in Panama. Our thanks also goes to Jimmy Boswell for providing the projector to view the slides.

## IMPORTANT!!!

It really is important! We hope you will keep it in your thoughts and prayers as we prepare to share it with you. It's called CARE and it will involve and touch every member of the body here. I really believe it will be one of the best things that could happen to us, and I think you will be inclined to agree.

Another thought! I hope you are giving some serious thought to the "one another" passages we are studying on Sunday mornings. Are we really to love God and one another? Must we? Will we? These passages plainly teach us how! I hope and pray that we will continue to be concerned about our relationship to our Lord and one another. If you have missed some of these lessons, why not check out the tapes from the office and listen to them?

The family is also important. It's still not too late for you to study with us at 9:30 each Sunday morning.

WHERE YOU ARE  
ALWAYS WELCOME

TEN RULES FOR MENTAL HEALTH WITH HUMILITY  
AS A COMMON TOUCHSTONE

1. Strike a balance between work and play; between seriousness and laughter.
2. Stick with the truth even if it makes you look or feel badly. Falsehoods are like wandering ghosts!
3. Forgive your enemies as part of the price you pay for the privilege of being forgiven. Realize that you are a "pain in the neck" sometime yourself.
4. Walk. Get lots of air and sunshine and occasionally some rain or snow on your face. Get some dirt on your hands.
5. Talk over your troubles, mistakes, and dreams with someone you trust.
6. Don't underestimate the ability of God to straighten out a situation -- even when you can't! Give Him a little time.
7. Discriminate among your fears. Learn to tell which ones are useful; which ones destructive.
8. Remember that the ultimate death rate is 100 per cent. You would be getting gypped if everyone got to die and you did not.
9. When you can't sleep say, "Aha, here's a chance for a little privacy and creative thinking. All day long I've been too busy to pray; now I can get around to thanking God!"
10. Fall in love with life, with children, older people, music, books, cities, hills, the sea, the Bible, and everything except money!
