

HAPPENINGS in God's Family

Vol. 8

May 2, 1982

No. 18

MOMENTS WITH MARVIN

Our Sunday morning attendance for the month of April averaged 182. We need to maintain this average, and even improve it. We can succeed in doing just that, but it will take a renewal of dedication and effort on our part. I believe we have reached the point to where we can do some great things for the Lord if we really want to. Do we?

Don't forget that individual CARE Groups will meet during the month of May. Be sure and try to meet with your group if at all possible.

Our average attendance for our recent Gospel Meeting was 149. I do appreciate the effort many families put forth to attend, but some did not attend at all. We must make sure that we are serious about our Christianity. It's almost impossible to influence and convert our friends and neighbors when we are not!

See you in church this Lord's Day!

SPECIAL MEETING CALLED

All the men interested in the work and future of this congregation are encouraged to meet with the elders in Room 7 immediately following the evening service this Sunday. The meeting will be as brief as possible, but please plan to attend.

IT WAS FUN

Cathy and I appreciate the recent gathering of about 25 young people in our home. We enjoyed it, and I believe most had a good time in spite of the weather's threat. Be sure and plan to attend the future gatherings.
