

HAPPENINGS in God's Family

Vol. 8

September 5, 1982

No. 36

MOMENTS WITH MARVIN

Let me update some information you will find inside. **Oda Mae Orrison** came through surgery fine, but will spend two or three days in ICU. This means the room and phone number listed are incorrect. **Hoyt Roberts** has been moved to New Boston Hospital, and is in room 224. We also failed to mention that **Jeff Johnson** had stitches taken in his neck after running into a strand of barbed wire.

This is a holiday week-end, and I know that many will travel out of town. We want each family who is on the road to be extra careful, and we will miss you this Lord's day.

I appreciate the interest that has been expressed in the filmstrips we are showing on Wednesday night. We will continue our study of Restoration History this coming Wednesday evening. Please make an effort to attend Bible study!

THE REMOVER

Alcohol will remove stains from summer clothes. This is correct, and just to prove the amazing versatility of alcohol, it will also remove winter clothes, spring clothes and fall clothes from a man, his wife and his children.

Alcohol will remove the furniture from the house, rugs from the floor, food from the table, the lining from the stomach, vision from the eyes, and judgement from the mind. Alcohol will remove good reputation, good jobs, good friends, sanity, freedom, man's ability to adjust and live with his fellow men, and even life itself. As a remover of things, alcohol has no equal.
