"All things were made by Him; and without Him was not any thing made that was made. In Him was **life**; and the **life** was the light of men." (John 1:3-4)

"... seeing he giveth to all **life**, and breath, and all things;" (Act 17:25)

### Life is Unpredictable

I sit here in my dining room surrounded by several inches if not a foot of snow on the outside of the house. I never thought I would see temperatures below zero degrees in Northeast Texas. Fortunately, God has made a wonderfully predictable orb that we lovingly call the Sun, and it will return to service in a few days. We will be asking it to hide again in not too many months. The Sun, however, isn't the problem. It's the earth, where people live, that has the problems. Life is unpredictable. You never really know what is going to happen next.

How do we address the unpredictability of life? We must put our faith in the One who knows the end from the beginning. Whether we are crippled by some terrible disease, cooped up by the weather, or simply encounter a seemingly random event, God knows all things. "The eyes of the Lord are in every place, Keeping watch on the evil and the good" (Proverbs 15:3). That means that the best thing a person can do about the unpredictable nature of life is to trust in the Lord. There are too many possibilities for the human mind to comprehend it all, but it is a simple thing for God.

What must we focus upon? We must learn and know the word of God. We must put our relationship with Him first. When we do this, He will provide for us. Paul wrote, "And my God shall supply all your need according to His riches in glory by Christ Jesus" (Philippians 4:19). Whatever it might be, we can trust in God to take care of us. Whether in life or in death, we can trust in God to take care of us.

God bless you, and I love you.

Kevin Cauley

*continued from front* the abundant life may not at times take to heart the impact the Gospel has on those who have not heard, understood, and believed. Many of them don't know they need the saving message and effectual cleansing blood of Jesus. Our role is vital. Reach out to the community. Shut-ins can hear/view the meeting on the YouTube channel "church of Christ New Boston".

There's plenty of daylight for folks now to reach home by 8:30 pm before dark. We need to urge brethren and the lost of the world to avail themselves of this opportunity. We can now recognize some of what it's like to lose this privilege (assembly)and blessing in the face of dangers and caution. This is an excellent opportunity to witness what a positive impact the Gospel has on the lives of all around us. Come hear about the Abundant Life! jp
