Munchhausen's Syndrome (Part 2)

Spiritually speaking, there are many today who have spiritual Munchhausen Syndrome. They love their sin and they want to be sin-sick to get attention. Some have the mistaken notion that they may continue in sin-sickness, and God will keep on healing them. This is why Paul asked the question in Romans 6:1, "What shall we say then? Shall we continue in sin, that grace may abound?" He answers it in verse 2: "God forbid. How shall we, that are dead to sin, live any longer therein?" The very idea of embracing the very thing that separated us from God because it will garner more of God's grace is repugnant. Yet there are many, some knowingly and some unknowingly, who cling to this belief. They may sin during the week and then say, "Oh, I go to confession on Sunday" or they may say that they will repent Sunday morning only to turn around the next week and commit the same sins again.

Some operate under the delusion of the once-saved-always-saved doctrine. They think they have a license to sin because they can't lose their salvation. Such false doctrines are contrary to the plain teaching of scripture. Hebrews 10:26 27 says, "For if we sin willfully after that we have received the knowledge of the truth, there remains no more sacrifice for sins, but a certain fearful looking for of judgment and fiery indignation, which shall devour the adversaries."

Those who sin willfully no longer have the benefit of the blood of Christ and can expect God's wrath and judgment. John also writes in 1 John 3:8a "Whoever makes a practice of sinning is of the devil, for the devil has been sinning from the beginning" (ESV). It is those who deliberately and willfully continue to practice sin that are of the devil. God doesn't want us to be sick with sin. God bless you, and I love you.

Reminders, announcements, and thanks
1. Thanks to all who helped out in various ways during the Gospel meeting. Attendance is important! Those that greeted guests, those that hosted during the Ladies' class, those that led prayers and singing, and made recordings, counted, arranged flowers, etc.: THANK YOU!
2. October has five Wednesdays, so plan on singing night on the 5th Wednesday evening.

Compare with Dillard Thurman's on back. The scriptures convey God's desire for man to be saved! We are not at liberty to omit or substitute our own "links". We do very well to simply "trust and obey" God. He desires and expects this! His grace and mercy are available, but we must lay hold of what He offers on His terms. The beauty of His plan is that there is nothing man can do to counteract it. Regardless of how much man thinks himself to have a better idea, a better plan, a better way, etc., we cannot supplant God's plans and wisdom. Through the "foolishness" of preaching is to be made known the truth of the Gospel, God's plan unto salvation (Romans 1:16; 10:13-17, 1 Corinthians 1). We are to preach the word, as Timothy was told (2 Timothy 4:2), not creeds and catechisms, nor fantasy or other folly. jp
